**Subject:** Correspondence to EFW WMAC - why is Nov. 6th Works Report 2024 WR-7 & Works Cttee disposition not provided to members on agenda  
**Importance:** High

Good afternoon:

I submit this email as correspondence to the EFW WMAC Committee which I request Clerks to include in WMAC agenda addendum.

I just read the Nov. 26th EFW WMAC agenda. <https://calendar.durham.ca/default/Detail/2024-11-26-1900-Energy-from-Waste-Waste-Management-Advisory-Commit/d93e6112-f4a6-4b90-ac5e-b22d00e06baa>

Given that WMAC made a motion at their May 28th meeting recommending to Works Committee that a staff update report be produced, why is the staff update Report 2024-WR-7 not included in this agenda as information item, so that WMAC members would know how staff responded?

See May 28 WMAC minutes: <https://calendar.durham.ca/meetings/Detail/2024-05-28-1900-Energy-from-Waste-Waste-Management-Advisory-Commit/fbe96b83-b228-49af-9aa4-b1860106190f>  
Extract:

WMAC members should be advised prior to their Nov. 26th meeting that they could review the staff Report 2024-WR-7 and delegations' presentations responding to that report on the Nov. 6th Works Committee agenda addendum at: <https://pub-durhamregion.escrimetings.com/Meeting.aspx?id=61cc2a82-bf98-49e1-8f08-14f873eb44cd&Agenda=Merged&lang=English>

And, they could review the Nov. 6th Minutes to see Works Committee disposition of the related correspondence and staff report at: <https://calendar.durham.ca/meetings/Detail/2024-11-06-0930-Works-Committee-Meeting/9f99e399-9043-420c-a0cf-b22e00eb5a21>
